Ed Leavy’s President’s Report

Ed shared the following:
We had a break-in at the office Monday night. Nothing was stolen, but a window and two doors were broken, and Lindsay’s baby snails were killed. Thanks to Phil Bodey and Tim Larson from Wight Tech for their emergency help in getting the office secured.

Distance learning has been as successful as possible thanks to the incredible efforts from our staff. We are the only district I have seen that secured no mandatory videotaping in their MOU.

Next year reopening - we will be insisting an SVFT leader and at least two teachers be part of that process to avoid the mess we ran into with the distance learning implementation.

SEBAC - to date nothing has been seriously considered. Any rumors to the contrary are incorrect.

**Officer Q and A:** There were many questions submitted through the Zoom chat feature. Here is a summary.

- Grades: Ed, Paul, and Bob will be on a call tomorrow with the Superintendent to discuss. There needs to be at least 5 days after student work completion for us to put in grades at the end of the year.
- Staff made to or allowed to enter building: Waiting for updates from SDE and the Governor. Discussions continuing about tools/materials pickup and return. Right now, schools can NOT make staff come in.
- P.L. day rollovers. Same policy as always. Forms will probably go out in early June.
- Pay-back half days: YES, they should be scheduled. Reps, please reiterate with principals at monthly meetings.
- Evaluations have stopped. No way to predict their plans for next year.
- Admissions- Our system will be accepting many more students than in years past we excluded (some would say illegally). The “policy” of keeping students out if we feel they can’t access the curriculum has been challenged in court.
- Can teachers be made to clean out student lockers? In a word, NO.
- Will spring coaches be paid? As the season wasn’t officially canceled until May 5th, we are assuming payment will be made. We must wait until contractual pay deadline.

**Old Business:**

The SVFT Secretary election, necessitated by Greg’s impending retirement, has been postponed until October. The four declared candidates will be given space in the September newsletter. If no candidate receives more than 50% of the vote, the top two will have a run-off in November.
New Business:
SVFT 2020-2021 Budget- Emily led the discussion of the proposed budget highlighting the important line items. AFT-CT has approved a $.25 increase per paycheck and AFT national has postponed any increase. Our increase is based on an increase in salaries.

M/S/V- Unanimous

Good and Welfare

Stay Safe and healthy, everyone!

Meeting adjourned at 5:55 P.M.
Respectfully submitted by Greg Beyer, SVFT Secretary
