

Daniel DelPiano

Sisters and Brothers,

As our first few days with students comes to a close and Labor Day approaches, I have taken some time to reflect on the work that each member of the SVFT does every day. I am inspired by the hard work and sacrifices each of us make to ensure that our students feel safe and welcome. I am impressed by the countless hours spent learning new technology and teaching methods to assure that students receive the best education, and I am reinvigorated by watching the collaboration day in and day out by all of the SVFT Membership. The hard work and dedication does not go unnoticed, it motivates me to work each day to protect our hard-earned rights, protect your safety in the workplace, and for me to work hard to earn your trust.

I believe that my experience as Building Representative, Committee member, and AFTCT Delegate, as well as my dedication to the SVFT membership and lifelong involvement in SVFT through my family members, make me the best candidate to serve as SVFT Secretary.

I promise to keep the rank and file needs in mind and work hard to make SVFT become a stronger more supportive union.

I hope I have your support and vote in the election starting today.

In Solidarity,

Daniel DelPiano
