

Tamara Connors

Dear Sisters and Brothers,

My name is Tamara Connors. I am a Department Head and English instructor at Oliver Wolcott and I am asking that you vote for me as SVFT secretary.

Why vote for me?

To begin, I have experience with the union including:

- 2006 SVFT Leadership Program
- 14 years as an SVFT Delegate
- SVFT Teacher of the Year Committee
- SVFT Scholarship Committee
- SVFT Budget Committee
- SVFT Nominations and Elections Committee
- A Member of the AFT Progressive Caucus

During my 17-year tenure with CTECS, I have also taught at Bullard Havens, Wright Tech, and Prince Tech. This experience provides me both insight into our school diversity and the unique demands placed on the SVFT staff.

Most importantly, why do I want to hold this position?

I love the work I have done with our union. I have participated in union activities since the beginning of my career with CTECS. Now, I want to learn more from our union leaders Ed, Paul, Bob, and Emily by sitting on the Executive Council and the Executive Committee attending to SVFT business. I want to be a student of these tireless sisters and brothers before they retire. For me this is not just about winning an election for Secretary, it is about winning the opportunity to serve YOU and LEARN from our outstanding leaders, so that I may help lead our union in the future. I ask that you vote for me for SVFT Secretary.

In Solidarity,
Tamara Connors
